IV. OTHER IMPORTANT FACTS.

All employees, including employees of Essential Businesses, are instructed to remain home if sick.

In addition, if someone in a household has tested positive for coronavirus, the household is ordered to isolate at home. Members of the household cannot go to work, school, or any other community function, except for workers included in Essential Healthcare Operations who may continue to work in accordance with CDC guidance.

To the greatest extent possible, all Essential Activities and work at Essential Businesses must be performed in compliance with the DCHHS Social Distancing Recommendations, including maintaining six feet social distancing for both employees and the general public.

The Order does not require that Essential Businesses keep their employees below a specified maximum number.

Non-essential businesses may continue operations consisting exclusively of employees or contractors performing activities at their own residences (i.e. working from home). Individuals may return to a non-essential business to pick up mail.

Hotels are a “place of residence” under the Order and are considered an Essential Business. The Order applies only to individuals currently living within Dallas County; any individual “living” in a hotel must shelter in place at the hotel and abide with the order for the duration of the order. As to those individuals not currently living in Dallas County i.e., out of town visitors, these individuals are not subject to the order.

Because the order specifically applies to all individuals currently living within Dallas County, an individual must shelter in place unless an exemption applies. This includes all individuals who live within Dallas County but work in another county.

Any manufacturer who retools so that a substantial part of its business is for the purpose of manufacturing and producing ventilators, masks, personal protective equipment, or any supply necessary for Essential Healthcare Operations may apply for an “essential business” exemption under this Order. Submit requests for an exemption to BusinessCOVID19@dallascounty.org.

All delivery hour restrictions for transport to or from any entity involved in the selling or distribution of food products, medicine, or medical supplies are suspended in Dallas County for the next 60 days.

All sales of bath or toilet tissue occurring in Dallas County are limited to the greater of: (a) 12 rolls per purchase; or (b) one package per purchase.

Nursing homes, retirement, and long-term care facilities are prohibited from allowing non-essential visitors to access their facilities unless to provide critical assistance or for end-of-life visitation.

Eviction hearings and writs of possession are suspended for at least the next 60 days to prevent renters from being displaced.

The order does not require individuals to carry documentation as proof that they are employed by an essential business.

Other than workers at construction sites, the order does not require Essential Businesses to take the temperature of employees that report to work.

Social gatherings of any number of people are not permitted under the order unless it is to care for a family member or pet in another household.

For purposes of determining a person's right to possession of and access to a child under a court-ordered possession schedule, the existing trial court order shall control in all instances. Possession of and access to a child shall not be affected by any shelter-in place order or other order restricting movement issued by a governmental entity that arises from the COVID-19 pandemic (pursuant to Supreme Court of Texas order dated March 24, 2020).

Rules for Essential Retailers

This document provides guidance for persons and business associated with essential retail on the meaning and application of Order issued by Dallas County Judge Clay Jenkins on March 31, 2020 (the "Order").

Reason for Rules. The purpose of these rules is to outline the steps that every employer and employee must take to reduce the risk of exposure to COVID-19. The rules describe how to prevent worker exposure to coronavirus and protective measures to be taken in all establishments.

Definition of Essential Retailers.

1. Stores that Sell Groceries and Other Essential Supplies. Grocery stores, supermarkets, warehouse stores, big-box stores, bodegas, liquor stores, convenience stores, and farmers' markets that sell food products and household consumer products (such as cleaning and personal care products). This includes stores that sell groceries and also sell other non-grocery products.
2. Gas Stations and Businesses Needed for Transportation. Gas stations, auto-supply stores, auto-repair, and bicycle repair. Auto-dealerships, for in-person mechanical services or to complete an online transaction on an appointment basis only.
3. Other Essential Retailers. Pet food and supply stores. Laundromats, dry cleaners, and laundry service providers, hardware stores, and related facilities. Firearm and ammunition suppliers and retailers for purposes of safety and security. Hardware stores and business that sell electrical, plumbing, and other materials necessary to support Essential Businesses, and Essential Government Functions, and Critical Infrastructure.

Safety Rules for All Essential Retailers. All employers involved in essential retail activity must follow the requirements set forth in the rules below:

1. All workers must take their temperature at their residence before going to an Essential Retailer. If a worker has a temperature above 99.6 degrees Fahrenheit, then they are prohibited from going to an essential retailer or other place of business, and must remain at their residence;
2. To the greatest extent possible and as equipment becomes available, an Essential Retailer must implement a system whereby supervisors must check the temperature of all workers and contractors with a forehead thermometer before the worker begins work. If a worker has a temperature above 99.6 degrees Fahrenheit, then they are to be sent home immediately;
3. Gatherings during meals or breaks are prohibited;
4. Workers must keep a 6 foot distance between people at all times, unless the work being performed requires multiple individuals for the safety of the workers;
5. Employers must allow non-essential personnel to work from home when possible;
6. Employers must provide soap and water, or hand sanitizer if no soap or water is available, in the workplace, including all restrooms and food preparation areas. Ensure that adequate supplies are maintained;

DALLAS COUNTY

7. Workers must wash their hands for at least twenty (20) seconds before beginning work, before any food preparation, before and after the use of shared items, after any meal or restroom breaks, and immediately prior to the end of the work shift.
8. Rest breaks of at least fifteen (15) minutes for every four (4) hours worked must be provided so workers may follow hygiene guidelines;
9. There shall be no adverse action taken against a worker who has, due to possible exposure to coronavirus, (1) been quarantined or advised to self-quarantine; (2) have not reported to work because the worker has a temperature of 99.6 degrees or higher; and (3) requested to use paid sick leave under the employer's policy; and
10. Employers must designate both a member of management as the COVID-19 Safety Monitor and a senior hourly worker (that is not a member of management) as the COVID-19 Vice Safety Monitor on each store to have the authority to work together to enforce these rules. Employers in unionized workplaces should consult with the employee's representatives on this designation.

General Rules for Essential Retailers.

1. Employers shall implement an organized line system where workers, customers, and other persons are not less than six feet apart at all times;
2. To the greatest extent practicable, designate shopping times for at risk populations (seniors, pregnant people, and people with underlying health conditions);
3. To the greatest extent possible, implement a system to restrict the number of customers who are physically present at an Essential Retailer so that six foot spacing may be maintained;
4. Employers shall implement purchase limits on high-demand items (toilet paper, soap, hand sanitizer);
5. To the greatest extent possible, employers shall offer pick up services or delivery services of grocery items and other essential supplies; and
6. Self-service food stations are prohibited. Self-service stations are defined as items that customers use common serving utensils to serve themselves, including but not limited to, salad bars, hot dog stands, self-service bulk food items, and other related food items. This section does not apply to self-checkout stations, so long as the checkout stations are cleaned at least every 30 minutes.

Enforcement. Failure to strictly comply with this Order can result in penalties described below. Additionally, any essential retailer who fails to comply with these rules can be removed from the essential business list.

DALLAS COUNTY

EXHIBIT B

Rules for the Construction Industry

This document provides guidance for persons and business associated with the building and construction industries and trades on the meaning and application of Order issued by Dallas County Judge Clay Jenkins on March 29, 2020 (the “Order”).

Reason for Construction Rules. The purpose of these rules is to outline the steps that every employer and employee must take to reduce the risk of exposure to COVID-19. The rules describe how to prevent worker exposure to coronavirus, protective measures to be taken on the jobsite, and cleaning and disinfecting procedures.

Construction as Critical Infrastructure. The Order classified construction for public works, residential, commercial, and schools as critical infrastructure. Elective additions and maintenance are prohibited.

Requirements for Construction. All employers involved in construction activity must follow the requirements set forth in the COVID-19 Safety Recommendations issued by the Construction Industry Safety Coalition, including the rules below:

1. All workers and contractors (hereafter referred to as “workers”) must take their temperature at their residence. If a worker has a temperature above 99.6 degrees Fahrenheit, then they are prohibited from going to work and must remain at their residence;
2. To the greatest extent possible, implement a system whereby supervisors must check the temperature of all workers and contractors with a forehead thermometer before the worker begins work. If a worker or contractor has a temperature above 99.6 degrees Fahrenheit, then they are to be sent home immediately;
3. To the greatest extent possible, shift work must be implemented such that each shift shall have no more than fifty percent (50%) of the workers who were on shift on March 16, 2020. Once assigned to a shift, workers shall not change from one shift to another;
4. To the greatest extent possible, limit crossover of subcontractors;
5. Gatherings during meals or breaks are prohibited;
6. Workers must keep a 6 foot distance between people at all times, unless the work being performed requires multiple individuals for the safety of the workers;
7. Workers must not use a common water cooler. Employers shall provide individual water bottles or instruct workers to bring their own;
8. Employers must allow non-essential personnel to work from home when possible;
9. Employers must provide soap and water and hand sanitizer in the workplace, including all restrooms. Ensure that adequate supplies are maintained;
10. If running water is available at the site, workers must wash their hands for at least twenty (20) seconds before beginning work, when they remove gloves, and before and after the use of shared items such as tools or multi-user devices, before and after any meal or restroom breaks, and when their shift or work time ends.
11. Rest breaks of at least fifteen (15) minutes for every four (4) hours worked must be provided so workers may follow hygiene guidelines;

DALLAS COUNTY

12. Employers must provide one (1) working flushing toilet for every fifteen (15) workers on site or one (1) outdoor portable toilet for every 10 workers on site;
13. There shall be no adverse action taken against an employee who has been quarantined, or advised to self-quarantine, due to possible exposure to coronavirus; and
14. Employers must designate a COVID-19 safety monitor on each site who has the authority to enforce these rules;

Enforcement. Failure to strictly comply with this Order can result in penalties described below. Additionally, the general contractor and non-compliant subcontractor can be removed from the essential business list.
